## CIRCUMCISION INFORMATION

If you should have a **Baby Boy** you may want to start thinking about whether or not to circumcise your baby if it is a boy. This is for your information only. Your consent must be given at the time of the procedure. If you have any medical questions, please talk to the nurse or the physician. The fees for a Circumcisions are as follows:

If you decide to have the circumcision performed in our **Office** please note the following:

- The fee for the procedure is \$300 must be paid on the day of the circumcision
- Schedule the circumcision within two (2) weeks after birth.
- Dress the baby in a comfortable clothing easy to remove and redress.

Bring with you:

1. Diapers
2. Blanket
3. Bottle & Pacifier if the baby uses them

If you decide to have the circumcision performed in the **Hospital** please note the following:

- The fee for the procedure is \$300 must be paid in cash to office before the delivery
- The hospital charges an instrument fee before the circumcision is performed and their estimate is \$300. This is separate from the doctor's fee.

The total fee for the procedure done at the hospital is \$600.

**We do not accept Medicaid or Insurance for Circumcisions.**
